Questions: Please answer the following questions thoroughly!

The SLT, JLT, and MUD programs at Camp Squeah all include a Christian discipleship component, that includes learning about service and leadership from a Christian perspective. While not necessary for JLT and MUD, participants in SLT will be expected to have some prior foundational understanding.

1. Describe your understanding of God and what it means to follow Jesus. Please include thoughts about what that looks like (or could look like) in your own life.

2. Describe briefly why you are applying for the program.

3. Describe your experiences as a camper.

4. Do you have any physical conditions and/or limitations that may be aggravated by continuous physical exercise or labour?

Note: This application and the three reference letters should be submitted as soon as possible. Interviews will begin in Spring 2020.
