**CANOES**

Camp Squeah has 2 person canoes and 8-10 person canoes available which will be transported to and from the sites. You may also provide your own canoe which you will need to transport to and from the sites. If you're paddling in your own canoe, don't forget a bailer, car wash sponge and one painter rope on the bow and stern.

**FIRST AID**

Please bring basic First Aid supplies such as band-aids, blister medication, Ibuprofen/Advil for stiff muscles, etc.

**SATURDAY LUNCH**

Lunch on Saturday will not be land supported. We will provide food and bring it in the boats.

**SATURDAY NIGHT**

On Saturday night, we will be camping near Chilliwack just off of the river (preferably at Island 22, to be confirmed). If you plan to make alternative, overnight sleeping arrangements, you will need to provide your own transportation.

**CLOTHING**

We recommend wearing polyester against the skin, non-cotton fleece tops and bottoms, nylon shell or other windstopper material on the outside and rain gear. Avoid cotton material and jeans if possible. Please bring a change of clothes in a waterproof bag. Shopping tip: Brent Murdoch at Valhalla Pure Outfitters in Abbotsford has a great selection of the latest in high tech gear & clothing. Also keep in mind that Value Village or MCC Thrift stores are a great place to find supplemental outdoor clothing.
