

CAMP SQUEAH OE TRANSPORTATION SUBSIDY APPLICATION

Camp Squeah's OE mission is to provide a place of refuge in a natural setting for students & teachers to build healthy relationships, grow and be nurtured. To assist schools in providing this opportunity, Squeah has created a transportation subsidy whose purpose it is to ease a school's transportation burden. Squeah actively works to promote the healthy benefits of outdoor education for children by fundraising for this subsidy supported by the generosity of others who share this value.

Please answer these questions and submit this application to oadirector@squeah.com or by fax: 604 869 5364 or by mail: #4 – 27915 Trans Canada Hwy, Hope BC, V0X 1L3

School Name: _____

Share with us briefly the barriers to facilitating an outdoor education trip for your school/class/group and how Squeah's transportation subsidy could help overcome them:

Describe how an outdoor education trip at Squeah would be of value to your school/class/group?

* Applications for subsidy will be considered throughout the school year. Subsidies will be awarded to schools when there are sufficient funds for dispersal. Camp Squeah OE transportation subsidy will be given for the purpose of helping a school pay for the cost of transportation to Squeah for outdoor education retreats. Camp Squeah may award subsidies up to half of the school's transportation costs to a maximum of \$1000.00.

Donations to Camp Squeah's OE transportation subsidy can be made at any time. 10% of all donated funds are saved in endowment trust for future OE transportation subsidy needs.
